

Nailsea School of Music & Performing Arts

Nailsea Music Shop

01275 855021

The Nailsea School of Music & Performing Arts is part of the Nailsea Music Shop. We have various vibrant teachers teaching various instruments to both children & adults. Our goal is to help you and others learn more about music to create a much more musical community. Nailsea is already known for its significant impact in many different aspects of performing arts & we hope to help continue this aura into the future. Also under the umbrella of the Nailsea School of Performing Arts is the dance company Jazz On Tap & also the charity company Bedford Performers.

Joining the Nailsea School of Music & Performing Arts will allow you or your child to join one of the largest and fastest growing music schools in Bristol. We first started with a few students in 2007 and we now have nearly 200 students. The school is run by a family who are deeply involved with all aspects of performing arts and therefore encourage all students to get involved with annual concerts which we arrange, examinations and any other outside experiences.

The Nailsea School of Music & Performing Arts runs coinciding with the academic school terms whenever possible. The term dates are always available on our website under the music school section. All lessons with the exception of theory and keyboard are private and cost **£15 per ½ hour** lesson. Keyboard & Theory lessons prices vary depending on how many students are in the session, the amount of people in the session will differ depending on the grade of the students. The first few lessons (at the teachers' discretion) may be paid for per lesson. Once this period has been passed you will need to sign a contract and pay for a term upfront.

All students are required to have their own instrument. All attending students must bring their own instruments with the exception of Drums, Piano & Keyboard. If you currently do not own an instrument let us know and we can assist you. We also offer a rental scheme for people who are unsure about their chosen instrument.
